MANAGEMENT: For its direction, management and representation, the Company has the following main bodies: General Shareholder's Assembly, Board of Directors, President, who in turn is the Legal Representative of the Company. The direction of the Company corresponds, in the first instance, to the General Shareholders Assembly and its administration to the Board of Directors and the President. The President, subject to the policies and authorizations issued by the General Shareholder's Assembly and the Board of Directors, will hold the legal representation of the Company. The Board of Directors will exercise any duty or attribution not assigned specifically to another body by these By-Laws or the law. Company's governance and administration will be the responsibility of the President and his period of duration is one (1) year and he can be indefinitely reelected or freely removed at any time. The President is the legal representative of the Company; he will have a voice in Board of Director's deliberations; subjected to the President will be the performance of the duties by all Company employees whose assignment does not correspond to the General Shareholders Assembly.

In the absolute, accidental or temporary absences of the President, he will be replaced by two deputies: the first deputy of the President and the second deputy of the President. The President will be the legal representative of the company and as such he may celebrate all the acts and contracts without regard to their value, when these are within the ordinary course of the social objective of the Company. In spite of the above, it will be necessary to obtain the authorization of the Board of Directors whenever these matters entail acts or contracts that contain credit obligations and to act as guarantor or surety for third parties for values above FIFTY MILLION COLOMBIAN LEGAL PESOS (\$50,000,000), as well as for the purchase, sale and mortgage of real estate, machinery, equipment, and investment in shares, quotas or parties of social interest in any company, events that will require the previous authorization of the Board of Directors. All these situations will also require the previous authorization of the Board of Directors. It will be understood that the legal representative will be vested with the most ample powers to act in all the circumstances in name of the Company, with the exception of those faculties which in accordance with stipulations of these By-Laws have been reserved for the shareholders or the Board of Directors.
