### Superintendent Search

The Osceola School District, a B-rated school district that is on its way to an 'A' is in the heart of central Florida with schools in Celebration, Kissimmee, St. Cloud, Polk, and Hainesville. The district provides academic instruction, rigor, and support each school day to more than 80,000 students in kindergarten through 12th grade in 72 schools and 25 charter schools and offers adult education. The heart of the district remains the over 5,000 dedicated employees who work tirelessly to provide every child every chance every day. Since 2016, Donna Pace has served as Superintendent of the Osceola School District, and will retire in June 2023 so the district is searching for its next leader.
